Thanks, Darrell. My intent would be to review the draft, compare it to other bylaws I've done for any missing items that should be addressed, and then revise/edit the entire document as necessary.

If your board meets monthly, I could have it done by the meeting after I'm authorized to do the review.

My estimate is that I could do this for less than \$1000.

Let me know if you have other questions. Thanks.

Hi Ron,

I am sending you the attached rough draft of the BLLB by-laws for the purposes of providing me with the answers to my original e-mail questions. We modeled them after the existing Bear Lake Preservation Association (BLPA) by-laws, which may or may not apply to the Lake Board.

I look forward to hearing from you before my next R I B meeting on Thursday, January 13
